UCLA Advanced Lung Disease and Lung Transplantation Symposium 2024

Saturday, April 6, 2024

Course Description

The 2024 UCLA Advanced Lung Disease and Lung Transplantation Symposium is a hybrid virtual and in-person conference, organized by UCLA Health, the UCLA Center for Continuing Professional Development, and a multi-disciplinary group of speakers. The goal of the program is to provide updated information on state-of-the-art therapies available for patients with end-stage lung disease, including medical and interventional approaches, as well as lung transplantation.

Target Audience

This conference is targeted at Pulmonologists, critical care physicians, internists, cardiac and thoracic surgeons as well as allied health professionals who care for patients with advanced lung disease or refer patients for lung transplantation.

Learning Objectives

At the conclusion of the program participants will be able to:

- Review state-of-the-art updates with respect to lung transplantation, including candidate selection, donor selection and donor lung preservation, and advances in research.
- Identify important clinical considerations when critically ill patients with acute respiratory failure are being considered for lung transplantation.
- Gain familiarity with best practices for diagnosis and management of advanced COPD.
- Implement best practices for diagnosis and management of bronchiectasis.
- Identify how respiratory viral infections can impact lung transplant candidates and recipients.
- Discuss how cardiac disease can impact patients with advanced lung disease and those needing lung transplants.
- Gain familiarity with the diagnostic best practices when evaluating a patient with interstitial lung disease, including the use of multidisciplinary discussion.
- Identify the importance of a multi-disciplinary expert team in the management of a patient after lung transplant and the role played by each team member.

Accreditation Statement

The David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The David Geffen School of Medicine at UCLA, designates this live activity for a maximum of 5.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California State Board of Registered Nursing accepts courses approved for the *AMA PRA Category 1 Credits™* as meeting the continuing education requirements for license renewal. Nurses from states other than California should inquire with their local State Board for specific continuing education policies.

Disclosure Statement

The FDA has issued a concept paper that classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the provider adequately manage all identified potential conflicts of interest prior to the program. UCLA fully endorses the letter and spirit of these concepts.
